WHO WE ARE ◆◆◆

Oxy Print House was established in 2003 and has grown to become Qatar's foremost specialist in digital printing services. We produce exceptional promotional print that has real impact for our clients, ranging from large format outside advertising, such as hoardings, posters and building wraps, to promotional leaflets and brochures to lanyards and ID cards for exhibitions and events.

Digital print is a breakthrough in promotional material production, saving time and producing fabulous, vivid colour print at a fraction of the price of conventional printing. Our team provide a tailored service and can suggest innovative ways of reaching your target audience. For instance, posters are a traditional way of attracting attention both inside and outdoors, but have you thought about floor graphics, hanging banners, or even flags? There are a huge number of ways to get your message across, both effectively and cost-efficiently.

OUR PROJECTS

We strive to follow a process to project all jobs properly with the best quality at an affordable price while meeting the time

Branding & Design

Today competition between businesses is rather sharp. To stand out among the crowd, a company needs to be unique and recognizable by customers. A strong brand and design is what stands behind each successful product.
